2

two

Count the dots: 2

Now you try — trace and write:

2 2 2 2

2 2 2 2

For personal / classroom use only

Trace the number 3

3

three

Count the dots: 3

Now you try — trace and write:

3 3 3 3

3 3 3 3

For personal / classroom use only

Trace the number 4

4

four

Count the dots: 4

Now you try — trace and write:

4 4 4 4

4 4 4 4

For personal / classroom use only

Trace the number 5

5

five

Count the dots: 5

Now you try — trace and write:

5 5 5 5

5 5 5 5

For personal / classroom use only

Trace the number 6

6

six

Count the dots: 6

Now you try — trace and write:

6 6 6 6

6 6 6 6

For personal / classroom use only

Trace the number 7

7

seven

Count the dots: 7

Now you try — trace and write:

7 7 7 7

7 7 7 7

For personal / classroom use only

Trace the number 8

8

eight

Count the dots: 8

Now you try — trace and write:

8 8 8 8

8 8 8 8

For personal / classroom use only

Trace the number 9

9

nine

Count the dots: 9

Now you try — trace and write:

9 9 9 9

9 9 9 9

For personal / classroom use only

Trace the number 10

10

ten

Count the dots: 10

Now you try — trace and write:

10 10 10 10

10 10 10 10

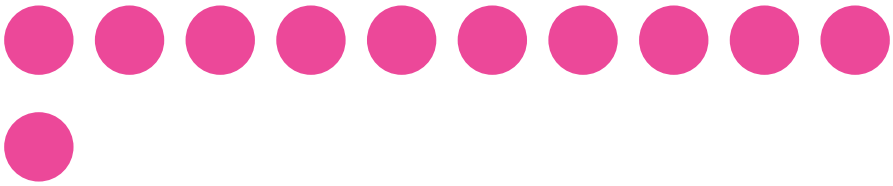

For personal / classroom use only

Trace the number 11

11

eleven

Count the dots: 11

Now you try — trace and write:

11 11 11 11

11 11 11 11

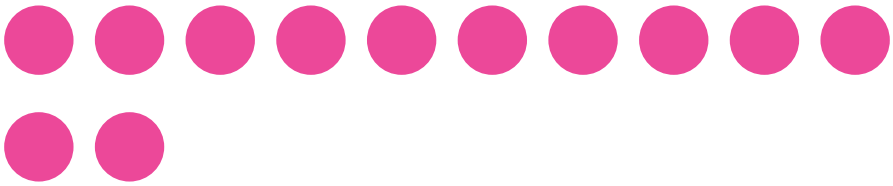

For personal / classroom use only

Trace the number 12

12

twelve

Count the dots: 12

Now you try — trace and write:

12 12 12 12

12 12 12 12

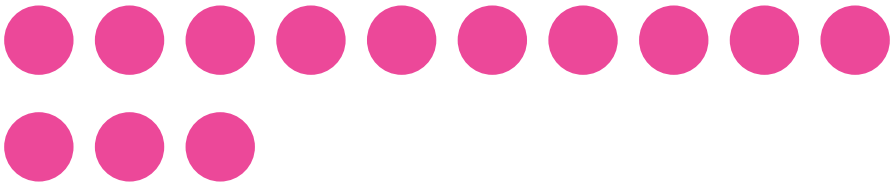

For personal / classroom use only

Trace the number 13

13

thirteen

Count the dots: 13

Now you try — trace and write:

13 13 13 13

13 13 13 13

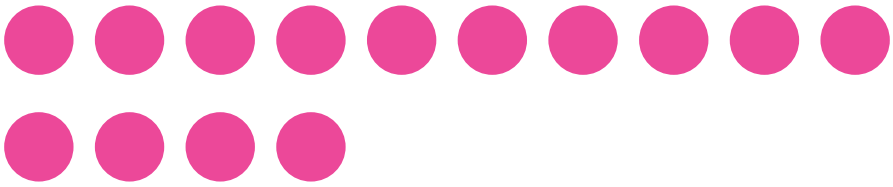

For personal / classroom use only

Trace the number 14

14

fourteen

Count the dots: 14

Now you try — trace and write:

14 14 14 14

14 14 14 14

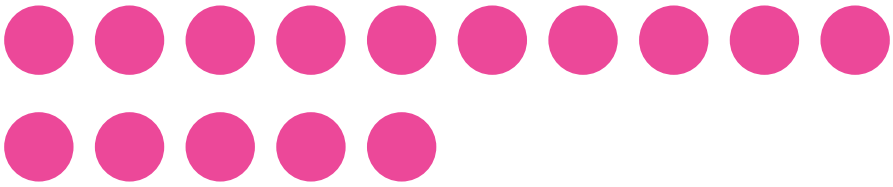

For personal / classroom use only

Trace the number 15

15

fifteen

Count the dots: 15

Now you try — trace and write:

15 15 15 15

15 15 15 15

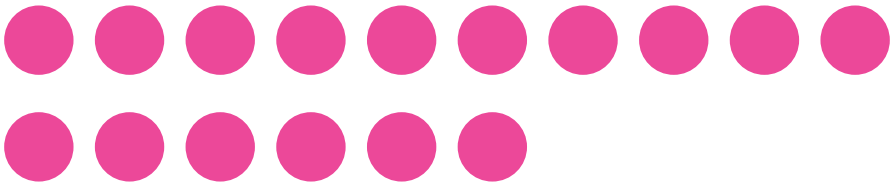

For personal / classroom use only

Trace the number 16

16

sixteen

Count the dots: 16

Now you try — trace and write:

16 16 16 16

16 16 16 16

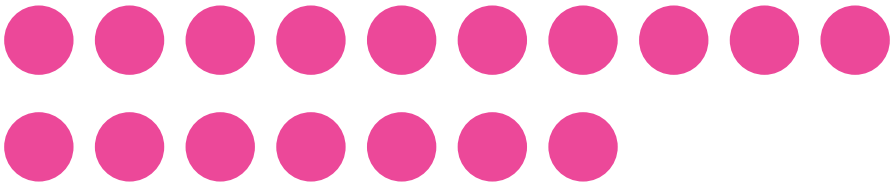

For personal / classroom use only

Trace the number 17

17

seventeen

Count the dots: 17

Now you try — trace and write:

17 17 17 17

17 17 17 17

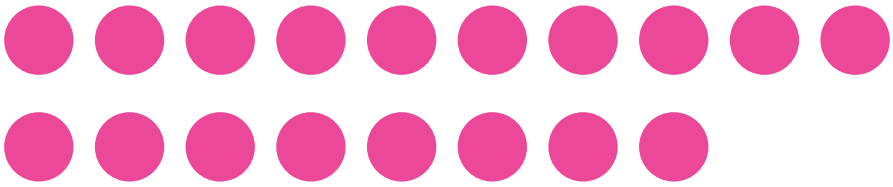

For personal / classroom use only

Trace the number 18

18

eighteen

Count the dots: 18

Now you try — trace and write:

18 18 18 18

18 18 18 18

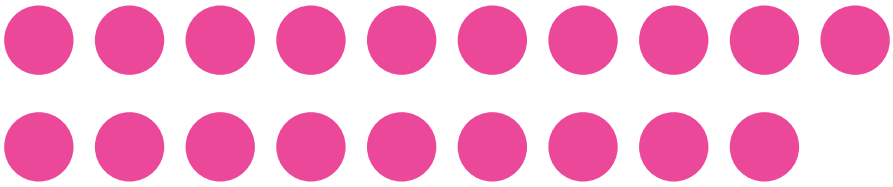

For personal / classroom use only

Trace the number 19

19

nineteen

Count the dots: 19

Now you try — trace and write:

19 19 19 19

19 19 19 19

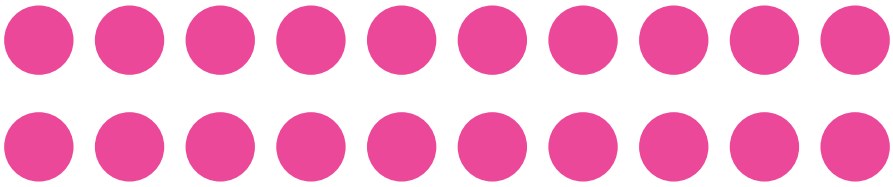

For personal / classroom use only

Trace the number 20

20

twenty

Count the dots: 20

Now you try — trace and write:

20 20 20 20

20 20 20 20

For personal / classroom use only

■ Number Brain-buster!

Can you solve these tricky ones?

Write the missing numbers: 14, __, 16, __, 18

Count carefully!

Which is bigger: 17 or 13? Circle it.

Think about tens and ones!

Draw 19 dots in two groups.

Can you make 10 + 9?

For personal / classroom use only
