Meet the clock

Learn the parts of a clock before we tell the time.

Hour hand
short & thick —
points at the hour

Minute hand
long & thin —
points at the minutes

- The numbers go 1 to 12, all the way round.
- O'clock means the minute hand points straight up at 12.

  Like this clock: 3 o'clock

- Half past means the minute hand points straight down at 6.

  Like this clock: half past 3
